

Lunch & Literature

A CDS Program for
TK and Kindergarten
Students

2010-2011

Covenant Day School provides an opportunity for our TK and K students to remain at school until other lower school students dismiss at 2:50. Families choosing to utilize this program should arrange for the pickup of their TK or K child at 2:50. This program may be used from 1-5 days/week. Families with children in K who are interested in doing 5 days/week should also consider our Extended Kindergarten option.

Students will remain in the B building (the same building where the TK and K classrooms are) during the 2 1/2 hour time block. They may bring their own lunch or order from the CDS Lunch Program. After eating, the students will have a story and playtime.

Acceptance to the program will be based on need first. Class sizes will be limited, so those participating in this program will need to select which days of the week they wish to have (not merely the number of days per week).
